Share your RAC experience with MGMA Government Affairs

Has your practice experienced an audit from a Recovery Auditor (also known as a Recovery Audit Contractor or RAC)? MGMA would like to hear from you. By gathering information about our members' experiences with the RACs, MGMA can identify enforcement trends which will help us focus our advocacy and educational efforts. Please send an email to RACWATCH@mgma.com. The following information would be useful to include in your email:

- The name of your regional RAC
- The issue(s) that were the subject of the RAC's review
- Whether you received a request for documents or just a letter notifying you of an overpayment/underpayment
- How many claims were affected
- The total amount at issue
- How the issue(s) were ultimately resolved
- Any other facts you would like to share about the experience

Please note that the Association will not disclose any specific information about you or your practice – this is for informational purposes only.
